# CAMPUS HIRING PAIN AREAS

- Quest to acquire top fresh talent
- No single platform to provide organized fresher data, even after the end of academic session
- Reach restricted to only around **400-500 top institutes**
- Physically difficult to map all **6000+ institutes**
- Inability to categorize employer groups, based on their requirements with pre-assessed talents ranked for their skills and activeness

# Youth4work **ADVANTAGE**

- Categorize pre-assessed and ranked talents on their skills and activeness
- Tap into the talent studying in Tier 3 & 4 cities using technology as an enabler.
- Filter the data according to your requirement
- Pick out the right candidates from interested candidates (through projects or free-lancing)
- Communicate effectively
- Authenticate the talent
- Verified profiles
